PROM : SUBJECT:

STATINTL STATINTL

Het with ________ on 30 oct 63. Money is a big problem -not enough in JOTP. No interest in jobs with LOG. Possible interest as an investigator with SEC, but would like to start at about \$9,500 per. He seemed a little disappointed that I couldn't give him a definite assignment. Forms were not given at this time - he was told that if and when he indicated a more definite interest to contact me.
